

II. Play with It!

7. Pinch two triangles together (a) and push between the two opposite triangles (b) to get a star (c).

8. Open the star from its center to reveal the hidden side.

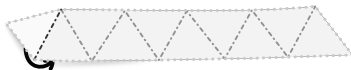

I. Make It!

1. Cut along the lines.

2. Mark the folds, back and forth, along the --- lines.

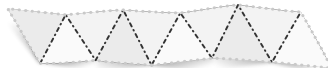

Back:

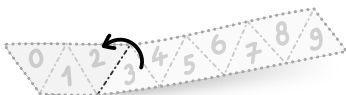

Forth:

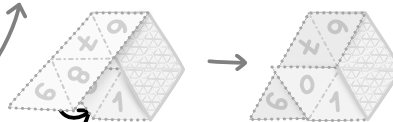

Repeat for each triangle:

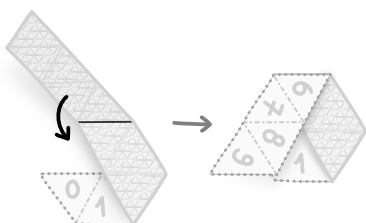

3. Fold 3 over 2.

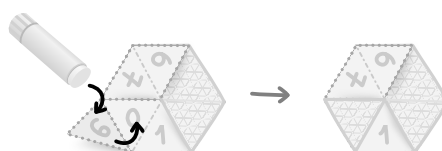

5. Put 8 behind 0.

4. Fold 6-7-8-9 back in front.

6. Glue 9 and 0 together.
